W. BRACKIN,

Collr. of Govt. Customs.

Calcutta, July 2, 1847.

The Collector has no objection to pass Packages, which are intended for private use, and not for Sale unopened—provided that at the time they are applied for, satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owner or destinations.

NOTIFICATION.—In modification of the rules for bonding Salt, promulgated on the 28th September 1841, under the authority of the Board of Customs, Salt and Opium, it is hereby notified, that parties desirous of bonding imported Salt in private Warehouses, may apply to the Collector of Customs for a license in the form C, appended to Act No. XXV. of 1836.

If the Board are satisfied, on the Collector's report, that the Warehouses mentioned in the application are well adapted for the secure custody of the Salt, a license will be granted under Section XIX. of the abovementioned Act, and Salt may then be bonded therein, under the restrictions provided by the Act in respect of any other article of merchandize bonded in a private Warehouse.

A portion of the Government Golahs at Sulkea will be set apart from the 15th proximo as a public Warehouse for the reception of Salt, on the same terms, at a fixed rent; and will continue to be available for that purpose, until required by Government.

The rate of wastage allowed upon Salt, so Warehoused, will be at the rate of four per cent. per annum, upon the quantity weighed over the ship's side; but the Import duty will be settled on the quantity so delivered, according to the provision of Section XVIII. Act No. XXV. of 1836.

Warehouses licensed for the reception of Salt under bond, will not be available for goods of any other description.

All expenses attending the receipt, storage, custody and delivery of Salt at Warehouses licensed as above, or in the Sulkea Golahs, will be borne by the parties availing themselves of the privilege.

Parties who are unable to provide Warehouses so constructed and situated as, in the opinion of the Board, effectually to provide for the secure custody of Salt while under bond, will be allowed, as before, to Warehouse their Salt under the rules of the 28th September 1841, which otherwise remain in full force, except in so far as they are modified by this Notification.

By order of the Board of Customs, Salt and Opium, the 30th June 1847,

CECIL BEADON, *Offy. Secretary.*

NOTIFICATION.

Fort William, the 25th June, 1847.

OPIMUM.—Notice is hereby given, that on Monday, the 12th of July, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1845-46, subject to the following Conditions, viz.

Produce of Behar Agency, Chests 1,685
Ditto of Benares ditto, „ 724

Total Chests, ... 2,409

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,409 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Thursday, the 15th of July, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 15th of July, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 15th July 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 27th of July 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or even Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale,

and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited

for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

By Order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secretary.*

NOTIFICATION.—The Secretary Military Board begs to call the particular attention of Heads of Offices to the following paragraphs of the Government Notification, dated the 11th September 1839, the instructions contained in which are not in all cases acted up to.

Para. 3d, directing that the number of Assistants, Clerks and Section Writers, by whom the Stationery is used, may be separately and distinctly stated in each Indent.

Para. 8th, requiring all Public Officers immediately on receiving a supply of Stationery, to forward receipts in duplicate for the same.

Para. 12th, which is in substance as follows: In order to reduce the number of Indents, and thus to simplify the clerical business of the Stationery Office, persons holding the situations below enumerated, will include in their own Annual Indents the Stationery required for the use of the Subordinate Officers under their control, and for the separate Offices dependent on them for their supply, viz. Judges, Magistrates, Collectors of Land Revenue, Collectors of Customs, Controller of Government Steam Vessels, Master Attendants, Commissariat Officers, Governor General's Agents, Salt Agents and Opium Agents.

II. Complaints having been frequently made, that the quantity of Stationery when received does not agree with that exhibited in the Invoice or

Receipts, it is desirable that on the arrival of the Stationery at its destination, the Box or Boxes be opened in the presence of the Head of the Office and the contents compared with the Receipts sent from the Stationery Office for signature.

III. Particular attention is also called to the Notification of the 25th February last, relative to the dates on or before which Indents are required to be sent in from Stations above and below Allahabad.

NOTIFICATION.—In modification of the rules for bonding Salt, promulgated on the 28th September 1841, under the authority of the Board of Customs, Salt and Opium, it is hereby notified, that parties desirous of bonding imported Salt in private Warehouses, may apply to the Collector of Customs for a license in the form C, appended to Act No. XXV. of 1836.

If the Board are satisfied, on the Collector's report, that the Warehouses mentioned in the application are well adapted for the secure custody of the Salt, a license will be granted under Section XIX. of the abovementioned Act, and Salt may then be bonded therein, under the restrictions provided by the Act in respect of any other article of merchandize bonded in a private Warehouse.

A portion of the Government Golahs at Sulkea will be set apart from the 15th proximo as a public Warehouse for the reception of Salt, on the same terms, at a fixed rent; and will continue to be available for that purpose, until required by Government.

The rate of wastage allowed upon Salt, so Warehouseed, will be at the rate of four per cent. per annum, upon the quantity weighed over the ship's side; but the Import duty will be settled on the quantity so delivered, according to the provision of Section XVIII. Act No. XXV. of 1836.

Warehouses licensed for the reception of Salt under bond, will not be available for goods of any other description.

All expenses attending the receipt, storage, custody and delivery of Salt at Warehouses licensed as above, or in the Sulkea Golahs, will be borne by the parties availing themselves of the privilege.

Parties who are unable to provide Warehouses so constructed and situated as, in the opinion of the Board, effectually to provide for the secure custody of Salt while under bond, will be allowed, as before, to Warehouse their Salt under the rules of the 28th September 1841, which otherwise remain in full force, except in so far as they are modified by this Notification.

CECIL BEADON, *Off. Secretary.*

Board of Customs, Salt and Opium, the 3rd July 1847.

NOTIFICATION.

Fort William, the 25th June, 1847.

OPIMUM.—Notice is hereby given, that on Monday, the 12th, of July, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1845-46, subject to the following Conditions, viz.

Produce of Behar Agency,	Chests	1,685
Ditto of Benares ditto,	"	724

Total Chests, ... 2,409

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,409 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Thursday, the 15th of July, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 15th of July, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 15th July 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 27th of July 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or even Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time, and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the

same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

By Order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secretary.*

Collr. of Govt. Customs.

Calcutta, July 9, 1847.

The Collector has no objection to pass Packages, which are intended for private use, and not for Sale unopened—provided that at the time they are applied for, satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

NOTIFICATION.—In modification of the rules for bonding Salt, promulgated on the 28th September 1841, under the authority of the Board of Customs, Salt and Opium, it is hereby notified, that parties desirous of bonding imported Salt in private Warehouses, may apply to the Collector of Customs for a license in the form C, appended to Act No. XXV. of 1836.

If the Board are satisfied, on the Collector's report, that the Warehouses mentioned in the application are well adapted for the secure custody of the Salt, a license will be granted under Section XIX. of the abovementioned Act, and Salt may then be bonded therein, under the restrictions provided by the Act in respect of any other article of merchandize bonded in a private Warehouse.

A portion of the Government Golahs at Sulkea will be set apart from the 15th proximo as a public Warehouse for the reception of Salt, on the same terms, at a fixed rent; and will continue to be available for that purpose, until required by Government.

The rate of wastage allowed upon Salt, so Warehoused, will be at the rate of four per cent. per annum, upon the quantity weighed over the ship's side; but the Import duty will be settled on the quantity so delivered, according to the provision of Section XVIII. Act No. XXV. of 1836.

Warehouses licensed for the reception of Salt under bond, will not be available for goods of any other description.

All expenses attending the receipt, storage, custody and delivery of Salt at Warehouses licensed as above, or in the Sulkea Golahs, will be

borne by the parties availing themselves of the privilege.

Parties who are unable to provide Warehouses so constructed and situated as, in the opinion of the Board, effectually to provide for the secure custody of Salt while under bond, will be allowed, as before, to Warehouse their Salt under the rules of the 28th September 1841, which otherwise remain in full force, except in so far as they are modified by this Notification.

By order of the Board of Customs, Salt and Opium, the 30th June 1847,

CECIL BEADON, *Offg. Secretary.*

NOTIFICATION.

Fort William, the 25th June, 1847.

OPPIUM.—Notice is hereby given, that on Monday, the 12th of July, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1845-46, subject to the following Conditions, viz.

Produce of Behar Agency, Chests 1,685
Ditto of Benares ditto, " 724

Total Chests, ... 2,409

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,409 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Thursday, the 15th of July, 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 15th of July, 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 15th July 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 27th of July 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or even Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full

payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that day by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

By Order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secretary.*

ACT No. — OF 1847.

An Act to amend the Law regarding the taking of Mochulkas or Penal Recognizances.

I. It is hereby enacted, that Section 4, Regulation IV. of 1825, of the Bengal Code, is repealed.

II. And it is hereby enacted, that in the Territories subject to the Presidency of Bengal, it shall be lawful for the Zillah and City Magistrates and Joint Magistrates to take Mochulkas or Penal Recognizances according to established usage in all cases wherein it may appear just and necessary to require the same for the maintenance of the peace in their respective jurisdictions although the party to be bound in such recognizances may not have been convicted of any specific offence, provided that the amount of the recognizance in all such cases shall be proportionate to the condition in life of the said party and to the circumstances of the case.

The following Draft of a proposed Act was read in Council for the first time on the 3d of July, 1847:

ACT No. — OF 1847.

An Act for remedying a defect in the Law regarding undiscovered defaults in the prosecution of Suits.

Whereas inconvenience has resulted from the rule that the discovery of defaults in the prosecution of suits and appeals brought in any Court of the East India Company, within the Territories subject to the Presidencies of Bengal and Madras, invalidates all proceedings in such suits and appeals, which may have been had since the occurrence of such default:

It is hereby enacted, that in the said Courts every default of a plaintiff or appellant, in all suits or appeals now pending or hereafter to be brought, and in all suits which have been decided but are still open to appeal, shall be held to be cured whenever the opposite party, passing over the default, shall have taken any step in the suit or appeal, and whenever the Court shall have passed judgment in the suit or appeal, whether such opposite party shall or shall not have taken any such step.

Ordered, that the Draft now read be published for general information.

I. It is hereby enacted, that Section 4, Regulation IV. of 1825, of the Bengal Code, is repealed.

II. And it is hereby enacted, that in the Territories subject to the Presidency of Bengal, it shall be lawful for the Zillah and City Magistrates and Joint Magistrates to take Mochulkas or Penal Recognizances according to established usage in all cases wherein it may appear just and necessary to require the same for the maintenance of the peace in their respective jurisdictions although the party to be bound in such recognizances may not have been convicted of any specific offence, provided that the amount of the recognizance in all such cases shall be proportionate to the condition in life of the said party and to the circumstances of the case.

III. And it is hereby enacted, that in cases of an aggravated nature wherein it may appear necessary to require security for keeping the peace in addition to the recognizance of the party, it shall be lawful for such Magistrates to direct the same and to fix a reasonable amount for the security bond to be executed by the surety or sureties.

IV. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security, need not exceed one year, it shall be lawful for him without reference to superior authority to give directions accordingly, and in default of such recognizance or additional security, to commit the party to prison in the Civil Jail until he shall do what has been required of him.

V. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security ought to exceed the period of one year, the Magistrate shall record his opinion in that effect with an order specifying the amount of recognizance and security as well as the number of sureties which

should in his judgment be required, and the period for which the recognizance and security should be required, which however shall in no case exceed three years. If the party shall not furnish the recognizance and security so required, the proceedings shall be laid before the Sessions Judge, who after examining them and calling for any further information which he may think necessary, shall pass orders on the case confirming, modifying or annulling the orders of the Magistrate, and if the orders so passed by the Sessions Judge confirm to any extent the requisition for recognizance or securities the Sessions Judge shall direct the Magistrate to commit the party to prison in the Civil Jail until he shall do what has been required of him.

VI. Provided always that it is hereby enacted, that no party shall be kept in prison under this Act for a longer period than that for which the recognizance and securities have been required from him.

VII. And it is hereby enacted, that the Provisions contained in Sections 5, 6 and 7, of Regulations VIII. of 1818, of the Bengal Code, shall be applicable to all persons confined under this Act, and to all sureties who shall have given security under this Act.

VIII. And it is hereby enacted, that all sentences and orders passed under this Act shall be appealable subject to the general provisions which regulate appeals.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 3d day of September next.

Read a second time the Draft of a proposed Act dated the 7th November 1846, and published in the Calcutta Gazette of the 11th November 1846, for the Survey and Assessment of Lands in the Town of Calcutta, within the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature.

Resolution.—The Hon'ble the President in Council resolves, that the following amended Draft on the subject be published for general information.

ACT No. — OF 1847.

An Act for the Survey of Lands in the Town of Calcutta, within the Local limits of the Jurisdiction of Her Majesty's Supreme Court of Judicature.

Whereas it is expedient that a correct Survey should be made of all lands in the Town of Calcutta within the local limits of Her Majesty's Supreme Court of Judicature:

It is therefore hereby enacted, that it shall be lawful for the Governor of Bengal to appoint an Officer to Survey the lands situate within the said local limits, and such Officer shall proceed to Survey the same and to register the names of the owners and occupiers thereof as far as they can be ascertained, and such Officer shall, by public notification, invite all persons owning or occupying lands and tenements within the said local limits to appear before him in person or by duly constituted attorney at whatever place within the said limits his office may be held, and to bring with him all Pottahs, Ground Rent Bills, Bills of Sale, or other

writings requisite for the ascertainment of the past and present boundaries of such lands.

II. And it is hereby enacted, that the said Officer shall for the purposes of this Act have full power and authority at all reasonable hours in the day time to enter or to direct his Subordinate Officers to enter into and upon any land or tenement within the said local limits, and in and upon the land on which any house, building or other erection is built or building or intended to be built, and into and upon any buildings or any part thereof without being liable to any action at law or suit in Equity, or any other legal proceedings or molestation whatsoever for or on account of such entry into, or of any thing done or to be done in any part thereof in pursuance of this Act. Provided, that such Officer or Subordinate Officers shall not enter upon any lands or tenements which may be occupied at the time unless with the consent of the occupier thereof, without previously giving the said occupier reasonable notice of his or their intention to do so. Provided also, that if any action shall be commenced in the Supreme Court against any such Officer or Subordinate Officer for any entry made or other thing done under the authority of, or in pursuance of this Act, it shall be lawful for him or them to plead the general issue and to give the special matter in evidence.

III. And it is hereby enacted, that if any person at any time shall obstruct or molest the said Officer or any of his subordinate Officers in the performance and execution of his or their duty, or any thing which they are required to do by or by virtue or in consequence of this Act, every such person so offending shall be guilty of a misdemeanour and shall on conviction before a Magistrate for the Town of Calcutta, forfeit and pay for every such offence any sum not exceeding 200 Rupees.

IV. And whereas such notification as is directed by Section 1 of this Act, may not in all cases be effectual, it is therefore hereby enacted, that it shall be lawful for the Surveying Officer to cause any person owning or occupying lands or tenements within the said local limits, or his Agents or representatives, to be served with a special notice under his official seal and signature, stating the purpose for which the attendance of such person is required, and any document essential for the purposes of this Act which such person is to bring with him and the period within which such person is to attend, and if such person cannot be found the notice shall be affixed to his usual place of residence if that be within the said local limits, or if not, then on the Premises to be surveyed. Provided always, that no person shall be required to produce any Title Deed which such person may object to produce.

V. And it is hereby enacted, that for any investigation connected with the purposes of this Act it shall be lawful for the Surveying Officer by writing under his hand to summon any person whatsoever to attend as a witness at a time and place to be specified in such Summons, and that every witness so duly summoned to attend as aforesaid, who shall not attend, or who attending shall refuse to give evidence on oath or solemn affirmation or declaration, or to answer all such questions as the Surveying Officer may legally demand shall be liable to be attached in the Supreme Court upon complaint made in like manner

as if such witness had neglected to attend on any trial in such Supreme Court.

VI. And it is hereby enacted, that any witness examined before such Surveying Officer shall be examined upon oath, which such Surveying Officer is hereby authorized to administer. Provided always, that in all cases wherein a solemn declaration or affirmation would be allowed in Her Majesty's Courts of Judicature to be substituted for an oath, the said Surveying Officer shall substitute such solemn declaration or affirmation for an oath.

VII. And it is hereby enacted, that any witness wilfully and knowingly giving false testimony on oath or solemn declaration or affirmation before such Surveying Officer shall be deemed guilty of wilful and corrupt perjury.

Ordered, that the Draft be reconsidered at the first meeting of the Legislative Council of India after the 10th day of September next.

ACT No. — OF 1847.

An Act to amend the Law regarding the taking of Mochulkas or Penal Recognizances.

I. It is hereby enacted, that Section 4, Regulation IV. of 1825, of the Bengal Code, is repealed.

II. And it is hereby enacted, that in the Territories subject to the Presidency of Bengal, it shall be lawful for the Zillah and City Magistrates and Joint Magistrates to take Mochulkas or Penal Recognizances according to established usage in all cases wherein it may appear just and necessary to require the same for the maintenance of the peace in their respective jurisdictions although the party to be bound in such recognizances may not have been convicted of any specific offence, provided that the amount of the recognizance in all such cases shall be proportionate to the

condition in life of the said party and to the circumstances of the case.

III. And it is hereby enacted, that in cases of an aggravated nature wherein it may appear necessary to require security for keeping the peace in addition to the recognizance of the party, it shall be lawful for such Magistrates to direct the same and to fix a reasonable amount for the security bond to be executed by the surety or sureties.

And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security, need not exceed one year, it shall be lawful for him without reference to superior authority to give directions accordingly, and in default of such recognizance or additional security, to commit the party to prison in the Civil Jail until he shall do what has been required of him.

V. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security ought to exceed the period of one year, the Magistrate shall record his opinion to that effect with an order specifying the amount of recognizance and security as well as the number of sureties which should in his judgment be required, and the period for which the recognizance and security should be required, which however shall in no case exceed three years. If the party shall not furnish the recognizance and security so required, the proceedings shall be laid before the Sessions Judge, who after examining them and calling for any further information which he may think necessary, shall pass orders on the case confirming, modifying or annulling the orders of the Magistrate, and if the orders so passed by the Sessions Judge confirm to any extent the requisition for recognizance or securities the Sessions Judge shall direct the Magistrate to commit the party to prison in the Civil Jail until he shall do what has been required of him.

VI. Provided always and it is hereby enacted, that no party shall be kept in prison under this Act for a longer period than that for which the recognizance and securities have been required from him.

The following extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 10th July 1847, is published for general information:

Read a second time the Draft of a proposed Act dated the 7th November 1846, and published in the Calcutta Gazette of the 11th November 1846, for the Survey and Assessment of Lands in the Town of Calcutta, within the local limits of the jurisdiction of Her Majesty's Supreme Court of Judicature

Resolution.—The Hon'ble the President in Council resolves, that the following amended Draft on the subject be published for general information.

ACT No. — of 1847.

An Act for the Survey of Lands in the Town of Calcutta, within the Local limits of the Jurisdiction of Her Majesty's Supreme Court of Judicature.

Whereas it is expedient that a correct Survey should be made of all lands in the Town of Calcutta within the local limits of Her Majesty's Supreme Court of Judicature:

It is therefore hereby enacted, that it shall be lawful for the Governor of Bengal to appoint an Officer to Survey the lands situate within the said local limits, and such Officer shall proceed to Survey the same and to register the names of the owners and occupiers thereof as far as they can

be ascertained, and such Officer shall, by public notification, invite all persons owning or occupying lands and tenements within the said local limits to appear before him in person or by duly constituted attorney at whatever place within the said limits his office may be held, and to bring with him all Pottahs, Ground Rent Bills, Bills of Sale, or other writings requisite for the ascertainment of the past and present boundaries of such lands.

II. And it is hereby enacted, that the said Officer shall for the purposes of this Act have full power and authority at all reasonable hours in the day time to enter or to direct his Subordinate Officers to enter into and upon any land or tenement within the said local limits, and in and upon the land on which any house, building or other erection is built or building or intended to be built, and into and upon any buildings or any part thereof without being liable to any action at law or suit in Equity, or any other legal proceedings or molestation whatsoever for or on account of such entry into, or of any thing done or to be done in any part thereof in pursuance of this Act. Provided, that such Officer or Subordinate Officers shall not enter upon any lands or tenements which may be occupied at the time unless with the consent of the occupier thereof, without previously giving the said occupier reasonable notice of his or their intention to do so. Provided also, that if any action shall be commenced in the Supreme Court against any such Officer or Subordinate Officer for any entry made or other thing done under the authority of, or in pursuance of this Act, it shall be lawful for him or them to plead the general issue and to give the special matter in evidence.

III. And it is hereby enacted, that if any person at any time shall obstruct or molest the said Officer or any of his subordinate Officers in the performance and execution of his or their duty, or any thing which they are required to do by or by virtue or in consequence of this Act, every such person so offending shall be guilty of a misdemeanour and shall on conviction before a Magistrate for the Town of Calcutta, forfeit and pay for every such offence any sum not exceeding 200 Rupees.

IV. And whereas such notification as is directed by Section 1 of this Act, may not in all cases be effectual, it is therefore hereby enacted,

that it shall be lawful for the Surveying Officer to cause any person owning or occupying lands or tenements within the said local limits, or his Agents or representatives, to be served with a special notice under his official seal and signature, stating the purpose for which the attendance of such person is required, and any document essential for the purposes of this Act which such person is to bring with him and the period within which such person is to attend, and if such person cannot be found the notice shall be affixed to his usual place of residence if that be within the said local limits, or if not, then on the Premises to be surveyed. Provided always, that no person shall be required to produce any Title Deed which such person may object to produce.

V. And it is hereby enacted, that for any investigation connected with the purposes of this Act it shall be lawful for the Surveying Officer by writing under his hand to summon any person whatsoever to attend as a witness at a time and place to be specified in such Summons, and that every witness so duly summoned to attend as aforesaid, who shall not attend, or who attending shall refuse to give evidence on oath or solemn affirmation or declaration, or to answer all such questions as the Surveying Officer may legally demand shall be liable to be attached in the Supreme Court upon complaint made in like manner as if such witness had neglected to attend on any trial in such Supreme Court.

VI. And it is hereby enacted, that any witness examined before such Surveying Officer shall be examined upon oath, which such Surveying Officer is hereby authorized to administer. Provided always, that in all cases wherein a solemn declaration or affirmation would be allowed in Her Majesty's Courts of Judicature to be substituted for an oath, the said Surveying Officer shall substitute such solemn declaration or affirmation for an oath.

VII. And it is hereby enacted, that any witness wilfully and knowingly giving false testimony on oath or solemn declaration or affirmation before such Surveying Officer shall be deemed guilty of wilful and corrupt perjury.

Ordered, that the Draft be reconsidered at the first meeting of the Legislative Council of India after the 10th day of September next.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

No. 966 of 1847.
General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until

I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

Post Master General.

By order of the Superintendent of Marine,

J. WOOLLEY,

Clerk of the Government Boat Office.

Steam Department, the 24th July, 1847.

No. 4130.
STEAM TO DACCA AND GOWAHATTEE IN
ASSAM.

GOVERNMENT having decided on opening a Steam Communication with Gowahuttee in Assam via Dacca and Serajgunge, notice is hereby given, that the first boats for this line, a Steamer and a Flat, will be despatched on the 13th Proximo; and the communication be continued Monthly for THREE YEARS.

The following Regulations and Rates of Charge for accommodation of Passengers, and conveyance of Goods on the Government Boats employed in the above Navigation, are published for general information:

Of Passage.

All applications for Passage on the Government Boats proceeding to Dacca and Assam, must be made at the Boat Office in Calcutta, and all applications for Cabins on the Boats returning from Assam, must be made to the Steam Boat Agent at the nearest place to that of embarkation.

The distance between Calcutta and Gowahuttee is assumed to be 600 miles, and the distance from Calcutta to the different Stations as follows:

Burrisaul,.....	200 Miles.
Dacca,.....	300 "
Seraj Gunge,.....	400 "
Dewan Gunge,.....	450 "
Bugwah,.....	500 "
Gowalpara,.....	550 "
Gowahuttee,.....	600 "

An Accommodation or a Cargo Boat will be employed in this line, as far as Dacca, the Steamer only going on to Gowahuttee until the demand for freight to and from places above Dacca is more than a Steamer can supply. In the first there are 3 classes of Cabins, but there will be no distinction in the charge, and the preference in the selection will be given to those who engage for the longest distances or otherwise, according to priority of application.

To Burrisaul or Dacca the charge will be Seventy-five Rupees, to Gowahuttee One Hundred and Fifty Rupees, or at the rate of Twenty-five Rupees for every 100 miles, of the estimated distance according to which the passage for intermediate distances will be rated.

One Servant is allowed to each Cabin occupied by one person, but if a Cabin be occupied by more than one person, an additional charge will be made of Nine Rupees, which will entitle the Cabin to a second Servant. All other extra Servants will be considered as Deck Passengers, the charge for which will be half an Anna per mile, or Eighteen Rupees Twelve Annas from Calcutta to Gowahuttee; Deck Passengers will pay Eighteen Rupees to Gowahuttee, or half an Anna a mile for any shorter distance.

The charge for passage on return voyages will be the same as above.

Passengers are allowed to carry such Baggage and Cabin Furniture within their Cabins as is necessary for the voyage; and this may include a Piano if required for use during the voyage and not in a packing case: but Pianos in packing cases and all other packages, as cases of Millinery, Saddlery, Glass and Earthen-ware, Beer and Wines, and other Stores, will be stowed in another part of the vessel; and to the extent of half a ton, or 25 cubic feet, be charged for at half the established rate of Freight; all in excess of half a ton will be charged at the full rate of Freight.

Deck Passengers are allowed one Roll of Bedding 2 feet wide, and a box of six cubic feet solid contents.

A Table is provided by the Commander at Four Rupees per Diem for each person, exclusive of Wines and Beer, which if provided by the Commander, are charged at regulated prices, of which a list is exhibited in the Dining Room, and all Refreshments required between the regular meals of Breakfast at $\frac{1}{4}$ past 8, Biscuit, &c. at noon, Dinner at 3 p. m., and Tea and Coffee in the evening. Persons who provide their own Wines, will pay 3 annas for each cork drawn.

Children who do not come to the Table are provided at One Rupee per day, the same charge is made for Christian Servants.

Mussulman Servants may feed with the Crew, paying a rate of Two Annas per day. Hindoos must provide their own food.

The Passage Money, and a deposit of Four Rupees per day for the estimated term of the voyage, must be paid on engaging a passage, and any surplus of Table Money will be returned, or an additional charge be made by the Commander, as the voyage may fall short of or exceed the time for which the deposit was calculated. Half the Passage Money, and half the Table Money become forfeit by persons who relinquish a passage after having engaged it.

The despatch of Boats will be duly advertized, and if any change in the Boats occurs, Accommodation or Freight engaged for the one advertized, will be assigned on the one substituted.

Of Freight.

All Goods intended for shipment on the Government Boats must be sent to the Boat Office, in Church Lane, Calcutta, between the hours of Ten and Four, Sundays, Christmas Days, and Good Fridays excepted.

Goods will not be received for shipment unless they be addressed to a resident at the place at which they are to be delivered from the Boats. The direction must be marked on something not liable to be destroyed by vermin, and from which it may not easily be obliterated. A direction written on a card or marked with ink on a tin box, would be liable to the above objection.

The Boat Office will not be responsible for any damage or loss that may be occasioned by accident to the vessel or other cause whatever, not traceable to negligence or mismanagement of those belonging to the vessel.

All Goods sent to the Boat Office must be accompanied by a note, with suitable direction for the guidance of the Officers of the Department.

Goods not applied for on board the Boat by the Consignee, will be carried on and charged with additional freight, unless addressed to the Steam Agent, in which case they will be delivered to him. It must be understood, however, that although all persons are at liberty to consign their goods to the Steam Agent of the stations at which they are to be landed, the Government is not responsible for such Steam Agent, or for the safety of the goods after the delivery of the same to the Consignee or to his order, whether such Consignee be the Steam Agent or any other person. Goods intended for the final station, if not applied for within 24 hours after the Boat's arrival there, will be delivered to the Steam Agent at the risk of the shipper.

Freight on all Packages, excepting Treasure laden in Calcutta, or for which tonnage is reserved in Calcutta, and which do not exceed in weight 35lbs. per cubic foot, will be charged by the cubic foot.
